5 Terry Lane, Plainview, NY 11803

phone: 516-681-0057
fax: 516-730-5083

8.0 AIA LU-PDH
8.0 AIA LU-HSW
8.0 LA CES Hours
1.0 GBCI CE Hours

Government employees and Groups of three or more individuals from the same firm will be offered the reduced prices of \$215 for the full day.

Cancellation policy: If you need to cancel your reservation, please tell us by September 9th.

There will be a \$25 administrative fee, or your deposit can be transferred to a future seminar.

Please note:

Seminar topics and speakers may be subject to change.

Handouts will be available (and included) for all attendees, along with access online.

Certificates will be available at the conclusion of the event.

8:30 AM – 10:15 AM

AIA Course ID 391COD

**CONTRACT DOCUMENTS AND PRACTICE -
CONTEMPORARY ISSUES & CONCERNS**

2.0 AIA LU-HSW/PDH/ LA CES

David Kosakoff, Esq.;
Partner; Sinnreich Kosakoff & Messina LLP

The construction process consists of key relationships between the active parties and needs to be controlled by Contract. Gain insights into a number of both legal and contractual issues that are everyone's concern, including design professionals' responsibilities, "Observation" vs. "Inspection;" and minimize "extras" on construction contracts.

10:25 AM – 12:10 PM

AIA Course ID 391COD

**LEARN HOW TO WORK WITH THE NY CITY
AND NY STATE BUILDING CODES**

2.0 AIA LU-HSW/PDH/ LA CES

David J. Jacoby, Principal;
SIMPSON GUMPERTZ & HEGER

The presentation will introduce the current codes and provide a brief overview of the International Code Council's code development process. Key changes to the relevant editions of the International Building Code (IBC) will be reviewed as this is the model code being used in both the city and the state.

12:15 PM – 1:00 PM | Complimentary Lunch

1:00 PM – 2:50 PM

AIA Course ID 381GBI

**USING GREEN GLOBES FOR SUSTAINABLE
DESIGN PROJECTS**

2.0 AIA LU-HSW/PDH/ LA CES

Vicki Worden;
President & CEO | Green Building Initiative

This class will introduce an alternate rating system that is ANSI Certified, is approved by major state agencies and municipalities in NY State and can provide you with an easier, less expensive way to meet code requirements for sustainable construction. Learn how the Green Building Initiative and its Green Globes Certification method will benefit building owners and the A/E team.

3:00 PM - 3:50 PM

AIA Course ID 376MAT

**HOW TO RESEARCH AND DOCUMENT MATERIALS
SELECTIONS FOR A LEED PROJECT**

1.0 AIA LU-HSW/ PDH / USGBC/ LA CES

Douglas P. Casper, AIA, LEED AP;
President, DPC Continuing Education, Inc.

Understand the criteria used to evaluate building materials. Time-proven techniques for effectively researching products and comparing manufacturers will be presented. Examples from area LEED Certified projects will be used to illustrate some of the points covered. Identify new trends in building product standards and how they can be used to sponsor further innovations.

4:00 PM – 4:50 PM

AIA Course ID 359PAV

**INNOVATIVE HARDSCAPING SITE
SOLUTIONS**

2.0 AIA LU-HSW/PDH/ LA CES

Daniel G. Moreland, LEED GA;
BELGARD Architectural Representative with Anchor,
an Oldcastle Company

Introduction to concrete hardscape products and design principles. Advice is offered as to how to properly detail and specify hardscape projects.
